

DELRAY VILLAS RECREATION ASSOCIATION

Rules revision July 2014

Dear Homeowner,

Enclosed please find your copy of the Delray Villas Recreation Association's updated and revised rules.

One of the most important duties of any community association's board of directors is the enforcement of the association's governing documents. By having well written, clear and objective restrictions, it will help to provide a harmonious community and enhance property values.

This letter is to advise you that in the past, some of these rules were not enforced for unexplained reasons. We are now sending you a "clean the slate letter", which is advising you of the rules which have been in place since the last revised date of 4/27/92.

Please note that these rules will now be enforced.
